From the Kitchen

Rent the entire restaurant.

We can accommodate events for up to 400 for exclusive use of TIQA, for cocktail receptions, lunch or dinner, every day of the week.

Rent the lounge or patio

Separated from our main dining room by a glass enclosed wine cellar and stylish partition, our lounge is a sophisticated space that accommodates 40. Available seasonally, our dining patio seats 50 guests.

Entertain your guests with private cooking classes and tastings

Our team consists of experienced professionals who love creating customized and often hands-on cooking classes, demonstrations and wine, beer and spirit tastings. We keep classes and tastings small, usually 15 to 50 guests, in order to preserve the intimate feel and make each event as memorable a culinary experience as possible.
